Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Picador USA. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 8.0in. x 5.4in. x 0.7in. A Washington Post Best Book of the Year. *Man in the Dark* is an undoubted pleasure to read. Auster really does possess the wand of the enchanter. --Michael Dirda, *The New York Review of Books* From a literary original (*The Wall Street Journal*) comes a book that forces us to confront the blackness of night even as it celebrates the existence of ordinary joys in a world capable of the most grotesque violence. Seventy-two-year-old August Brill is recovering from a car accident at his daughters house in Vermont. When sleep refuses to come, he lies in bed and tells himself stories, struggling to push back thoughts about things he would prefer to forget: his wifes recent death and the horrific murder of his granddaughters boyfriend, Titus. The retired book critic imagines a parallel world in which America is not at war with Iraq but with itself. In this other America the twin towers did not fall and the 2000 election results led to secession, as state after state pulled away from the union and a bloody civil war ensued. As the night progresses, Brills story grows increasingly intense, and what he is desperately trying to avoid insists on being told. Paul Auster is the bestselling author of *The Book of Illusions*, and *The New York Trilogy*, among many other works. In 2006 he was awarded *The Prince of Asturias Prize* for Literature and inducted into the American Academy of Arts and Letters. Among his other honors are the Independent Spirit Award for the screenplay of *Smoke* and the Prix Mdicis trananger for *Leviathan*. He has also been short-listed for the International IMPAC Dublin Literary Award (*The Book of Illusions*), the PEN Faulkner Award for Fiction (*The Music of Chance*), and the...
