BEFORE THE VEIL xxiii insignificant--merely ethnic--still, it may be useful to the general reader to know just what that is. We give a few alphabetically. ethrobacy, is the Greek name for walking or being lifted in the air; levitation, so called, among modern spiritualists. It may be either conscious or unconscious; in the one case, it is magic; in the other, either disease or a power which requires a few words of elucidation. A symbolical explanation of ethrobacy is given in an old Syriac manuscript which was translated in the fifteenth century by one Malchus, an alchemist. In connection with the case of Simon Magus, one passage reads thus: Simon, laying his face upon the ground, whispered in her ear, O mother Earth, give me, I pray thee, some of thy breath; and I will give thee mine; let me loose, O mother, that I may carry thy words to the stars, and I will return faithfully to thee after a while. And the Earth strengthening her status, notwithstanding to her detriment, sent her genius to breathe of her breath on Simon, while he breathed on her; and the stars rejoiced to be visited by the mighty One. The starting-point here is the recognized electro-chemical principle that bodies similarly electrified repel each other, while those differently electrified mutually attract. The most elementary knowledge of chemistry, says Professor Cooke, shows that, while radicals of opposite natures combine most eagerly together, two metals, or two closely allied...
