Xlibris Corporation. Paperback. Book Condition: New. Paperback. 114 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. Summary Vodou: The Next Stage attempts to delineate the silhouette of a religion undergoing a process of transformation. Contacts with high priests and priestesses reveal their efforts and readiness to adapt the faith to the demands of time. Hence, initiators must more efficiently train candidates to priesthood in order to promote the evolutionary trend of the belief-system. The Vodou creed simmers down in its essence the seeds of change. The deific manifestations inspire believers to search for and find better ways to cope with life difficulties. The derived insight and inspiration throw off sparks of creative energy that ease the material and spiritual journey. Like every human endeavor, Vodou reflects the worshippers level of spiritual development; their use of formal knowledge to search for truth would enhance their understanding and integration of lessons learned from spiritual phenomena. The yearning for enlightenment demands acts of faith and courage. It requires a motivating force to move from a perceived good to a greater good. Perseverance and a confident hope could set the stage to move away from well-worn path to more actualized concepts. During rituals, for example, one would see a shift from invocation to evocation of deities; this would ease the forward movement on the spiritual ladder. It would not only shed light on better...
