MISS FLUTTERBY SAYS DON T BUG ME

Createspace, United States, 2011. Paperback. Book Condition: New. Nora Nielsen (illustrator). 249 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.Miss Flutterby is a wonderfully whimsical, magical butterfly who lives in the playground next to the school. She is hopelessly clumsy, but oh so loveable and very smart! She tells stories that teach important lessons for practically every situation children find themselves in. The children love story time with Miss Flutterby in her enchanted garden. All of the children agree that the playground, and especially Miss Flutterby s garden, is their favorite place to be. But one day something bad happens at the playground. A stranger comes and takes away one of the children, a little girl named Kimmie. The child is just gone! No one sees or hears anything. Miss Flutterby is very lonely because the children have stopped coming to the playground. All day long the playground remains empty. She is worried about the safety of the children who make her so happy. Then Miss Flutterby has an idea! Children need to be able to make a loud, unique noise that signals when they need adult help. Join Miss Flutterby as she searches for just the right thing for the children to use to make noise. Not just any noise, you see, but a special noise-- A sound that any child can make and a sound everyone can hear. What will Miss Flutterby find? And how will she help little Kimmie get home safely? Follow the adventures of Miss Flutterby as she flies into action in the first of a series of books teaching children important safety lessons. Learn basic rules that every child should know and find out what no child (or adult) should ever be without.
