Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE BUFFALO LITHIA WATERS IN THE TREATMENT OF DISEASES OF THE NERVOUS SYSTEM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Buffalo Lithia Waters in the Treatment of Diseases of the Nervous System There is no physiological process that is not executed either directly or by reflex action by the nervous system- waking, respiration, deglutition, walking, sleeping; in a word, life itself begins and ends in the medulla oblongata. It is not necessary to look beyond the par vagin to observe the great variety of physiological functions and far-reaching psychical influences exercised by a single nerve. The deduction naturally drawn therefrom that the majority of diseases are referable to derangements of the nervous system, be it through the plexus affected, the sympathetic, or the cerebro-spinal system, is fully established by pathology. Almost all morbid changes thus find their origin in a neurosis. Neuroses dominate pathology. A remedy therefore suitable to diseases of the nervous system in general- such as neurasthenia, hyperaesthesia, chorea, neuralgia, neuritis, dyspepsia, menorrhoea and (lysinorrhoea of nervous origin, impotence, sterility and hysteria, cerebral hyperaemia and anasmin, melancholia, paralyses, and cephalalgia-is one to commend itself to the neurologist as well as to the general practitioner.
