ORGANIZATIONAL SUSTAINABILITY

Book Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | A Quantitative Decision Model Towards Maximizing Organizational Sustainability | The sustainability of an organization depends not only upon its financial performance, but also upon its environmental and social performance requiring the integration of economic, environmental and social objectives i.e., the triple bottom line (TBL) into overall strategic plan and decision making process. This research introduces a new decision making tool that integrates both financial and nonfinancial performance measures into the process...
