When the Far Bell Rings

By Natale

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I found myself studying a series of photos I had taken of an abandoned church. That got me to reminiscing about my youth and the old burial grounds we used as a playground. The newest tombstone still intact enough to read the date on was originally placed in the ground during 1767. All the remaining headstones were placed along the parameter to form a circular enclosure. Massive Oak trees formed eerie shapes at night. When a thick sea fog washed ashore it was a cold and terrifying place for anyone with an active imagination. One evening the fog was particularly thick. My elder brother and I had gone to the fish and chip shop to pick up the original to-go food. With six penneth of chips and a shillings worth of fish in hand we entered the burial grounds. We became aware of something breathing heavily following us as St. Mary's bell dully thudded in the distance. The burial grounds were unlit save for a gas lamp post at each entrance. Every time we stopped and...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
