CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 356 pages. Dimensions: 8.4in. x 5.4in. x 1.0in. Based on the true account of a close encounter of the FIFTH kind which the author experienced on October 12, 1994 on the rim canal of Okeechobee, Florida. The contact was beyond profound, because the visitors shared in detail their true nature, their mission, and the reason for their connection with Earth since before the dawn of antiquity. The details of what they shared were not provided through conversation, but through a direct implant of knowledge via ELF wave transmission. What was discovered over time was that the knowledge passed on was essentially the opening of the sealed words of Daniel, including future verifying predictions of events to come. Awakening is Volume 1 of a 4 volume set detailing the workings and reasons for our existence and the interconnections and multiple levels of reality itself. The knowledge shared and contained in these books explains the purpose of existence and the reasons for the joys and hardships we all face as we journey through life. The elegance of the truth is astonishing. Go thy way, Daniel: for the words are closed up and sealed till the time of the end. Daniel 12: 9 The Endtime is here. The words are unsealed. I AM DARIUS. This item ships from La Vergne, TN. Paperback.
