Chemistry of the Carbon Compounds: Or Organic Chemistry (Classic Reprint)

By Victor Von Richter

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Chemistry of the Carbon Compounds: Or Organic Chemistry The favorable reception of the American translation of Prof, von Richter s Inorganic Chemistry has led to this translation of the Chemistry of the Compounds of Carbon, by the same author. In it will be found an unusually large amount of material, necessitated by the rapid advances in this department of chemical science. The portions of the work which suffice for an outline of the science are presented in large type, while in the smaller print is given equally important matter for the advanced student. Frequent supplementary references are made to the various journals containing original articles, in which details in methods and fuller descriptions of properties, etc., may be found. The volume thus arranged, will answer not only as a text-book, and indeed as a reference volume, but also as a guide in carrying out work in the organic laboratory. To this end numerous methods are given for the preparation of the most important and the most characteristic derivatives of the different classes of bodies. About...
