

I am big So What!?

By Shuchi Singh Kalra

Fingerprint/Prakash Books, New Delhi, India, 2016. Softcover.
 Book Condition: New. Is it only in India where people don't realize that starting a conversation with, "Oh, you've put on weight!" is incredibly rude? Perhaps I should respond with "Oh, you've become uglier!" so they get the point. From stores that do not stock clothes my size to unsolicited advice from neighbourhood aunties, my life quite annoyingly is ruled by the numbers on the scale. What's the big deal about being big? You may wonder. Well, quite a lot, actually. For starters, you get dumped by the only man you've ever loved, social situations go from awkward to embarrassing within seconds, and don't even get me started on the family's never-ending search for a suitable groom. They just don't make men my size these days! Nevertheless, here I am, about to meet Suitor No. 7. Begrudgingly, of course. Ride along as I navigate the crazy arranged marriage market. And trust me, it's crazier when you're more than a little curvy. Printed Pages: 200.
