How do couples tackle ticklish questions like Does this make me look fat? or Will you go on a diet with me? What does one partner say when the other loses weight and then gains it back -- and more? Lydia Hanich has created a safe, fun guide to discussing thorny topics such as appearance, weight, food, exercise, sexuality, and eating disorders. Each chapter of Honey, Does This Make My Butt Look Big? presents loaded questions and precarious everyday scenarios with corresponding right and wrong answers. Included is a brief interpretation of the predicament along with sensible advice about what to say, what not to say, and why. Most partners have a sincere desire to support each other yet often unwittingly contribute to the problem rather than the solution. With cartoon illustrations and a healthy dose of humor, this book provides the answers to those difficult questions.
