Harmony. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 7.9in. x 5.1in. x 1.1in. We are the keepers of an intuitive intelligence so powerful it can tell us how to heal. In her groundbreaking new book, Dr. Judith Orloff leads readers to the heart of a radical revolution in health care: the union of medicine and intuition, of body, mind, and soul. We're all born with the gift of intuition; many of us have long ago blocked that indisputable sense of rightness which is our truest inner compass. Dr. Orloff's guide will show you how to recapture, nurture, and affirm your intuitive ability, so that you can utilize it to help heal yourself. Intuition plays an indispensable role in self-diagnosis, pain control, immune response, and recovery from acute and chronic illness; it can lead you to breakthroughs in anxiety, panic, depression, and other emotional blockages, even when traditional psychotherapy has failed. Intuition also offers insights into the use of medications and the selection of the right healer for your needs. Further, it is integral for sexual healing, since sexuality is a potent connector and energy source for clarifying spirituality and improving vitality. Dr. Orloff introduces five practical steps she uses in her own life and teaches to patients which illustrate how to harness the power of intuition to heal. You'll learn to clarify your beliefs, listen to your body's messages, access inner guidance, sense subtle energy, and interpret your dreams. Practicing these steps you'll recognize early warning signals and act on them to help prevent illness. You'll have skills to uncover important information from meditation and remote viewing (a way of intuitively tuning in) to make sense of confusing signals. The insights you'll gain from these tools will lend reason, compassion, and meaning to events such as illness, loss, or despair....
