## METIS

iUniverse. Paperback. Book Condition: New. Paperback. 204 pages. Dimensions: 9.0in. x 6.1in. x 0.6in. Metis provides a stirring perspective on the conflict between the US and China. It exposes how global warming is fueling China's clandestine stratagem for world supremacy. Unchecked, irreversible and relatively unobservable, global warming has provided China with the ultimate weapon to master The Art of War. Metis is packed with political intrigue, personal agendas, historical perspective, and frightful forecasts of the impending devastation that global warming, climate...
