Book Condition: New. Publisher/Verlag: Penguin US | A novel | Daniel has spent centuries meeting and falling in love with his soul mate, Lucy, through life after reincarnated life. He has the gift of the memory, the ability to recall past lives and recognize reincarnated souls. | From the New York Times -bestselling author of *The Sisterhood of the Traveling Pants* and *The Last Summer (of You and Me)* comes an imaginative, inspired, magical book—a love story that lasts more than a lifetime. Ultimately, they must come to understand what stands in the way of their love if they are ever to spend a lifetime together. A magical, suspenseful, heartbreaking story of true love, *My Name is Memory* proves the power and endurance of a union that...
