Brand New Book ***** Print on Demand *****.Excerpt from Transactions of the Royal Society of Tropical Medicine and Hygiene, Vol. 12 The campaign, however, is conducted in areas subject to great ranges of temperature between summer and winter, and where, owing to the domination of the Turk for over 500 years, the inhabitants live under more or less primitive conditions, without any special organisation for or attention to the preservation of health. Wars in this region have always been distinguished for much sickness and mortality, and it is because I think that information gathered from what has already happened may be useful in securing the adoption of more effective measures in these and in tropical countries, where the sanitary problems are much more complex than in France, that I am reading this paper. South-Eastern Europe the Gateway of the East and West. The South-Eastern corner of Europe has always been a great fighting arena. It is the gateway on land to the East and for the West, and as such its possession has been coveted in turn, and fought for by the rulers of...
