## The Seven Layers of Integrity(R)

By George P Jones, June Ferrill

AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Can you teach people to behave ethically? That s the question being asked by business leaders and business school administrators across America as our country witnesses a wave of financial scandals. The Seven Layers of IntegrityT both answers that question and provides a model that serves as a learning tool and a decision-making mechanism. The authors believe people can be taught to behave ethically - and they start by examining the reason people raise this question in the first place. Common thinking is that by the time people reach adulthood their value systems are already in place - they are either ethical or not ethical. This is classic contemporary American thinking characterized by binary, mutually exclusive options, sound bite analysis, and an easy litmus test for the integrity of degree candidates, job applicants and business people. As with most ideas having these characteristics, it falls apart under even limited scrutiny. The solution to the business ethics problem really lies in corporate culture, and the authors speak from their own familiarity, after years of business consulting, with the...
