

## Ties

By Solal, Marc

Assouline Publishing, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In this whimsical look at the most important accessory of men's fashion, Marc Solal has created 30 portraits of ties and imagined who their owners would be. The styles of these different ties represent the trends of the day and humorously correspond to the key characters of our modern world. Stories behind the ties: Thomas-- "I love this tie more than any other. My son, Valentin, gave it to me for Father's Day." Jerome-- "It sounds stupid, but I like this tie because I stole it from a big department store. For me it's a souvenir of that adventure." Ludovic-- "Almost all of my ties were given to me as presents, for my birthday, Christmas or some other holiday. But this one, I chose myself. It's the one I wear most often." Henry-- "I only have one tie. I keep it as a souvenir but I never wear it. I keep it in case I have to wear a tie one day."

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Natalie Abbott**

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*
