Paperback. Book Condition: New. Paperback. 184 pages. Dream has been a debatable subject and its interpretation and significance even more controversial depending on the religious and mental frame of the individuals and cultures that the persons involved live in. In the old, king Nebuchadnezzar nearly wiped out all his interpreters and wise men for failing to tell the meaning of his dream. Recently, Sigmund Freud defined it as a door to the subconscious of worried minds, even more recently, Bishop Oyedepo David said, it is a mental picture of a future event. This book, however showed that dream, is really part of human reality more or less intertwined with sleep. It deals with both past, present as well as future events with biblical evidence and present day testimonies of diverse persons given to support this position. 5 Basic principles of correct dream interpretations were given as , objectivity, timing, contrast, numbers, and symbolism derived from the prevailing culture. 3 types of dreams were defined false , human needs based and supernatural were all distinguished. The importance of dream in the past as well as today was highlighted by various testimonies including the first female mechanic in Nigeria. Other notable examples though not included initially in the book include, Emperor Constantine of the old Roman empire who conquered his world by his visiondream of the cross, Late General George Patton of the allied forces during the second world war, also saw his way to success through dreams and visions received before ground battles with the opposition. Nigerias head of state in 1995 august also a general said he saw his way to victory also through dreams. Biblically, Satan has always championed confusion in human minds, due to shortage of vital information. He misled Job, into believing that God was responsible for...
