GNoo the Baby Roos First Christmas was first conceived of as a holiday bedtime story for my children. There is even an audio recording of the original story which I made for them back in the late 1990s. Eventually, it evolved into a stage play intended for young audiences. GNoo is a short childrens play about a young kangaroo, known as a joey, who sees humans celebrating Christmas by exchanging presents but isnt quite sure what to make of it. Eventually, GNoo asks her parents about the holiday but they arent quite sure what its all about, either. The play focuses on what would happen if there were no human around to teach animals what Christmas is all about. How would these animals interpret a Christmas beyond its religious significance However you celebrate the holiday season, please enjoy your time with GNoo the Baby Roo and may all your holidays bring you nothing but joy. This item ships from La Vergne, TN. Paperback.
