Hodder Stoughton General Division, United Kingdom, 2014. Hardback. Book Condition: New. 239 x 162 mm. Language: English . Brand New Book. Dr Charlotte Charlie Stone is a psychiatrist who explores the darkest territory of all: the hearts and minds of serial killers. It s a job she s uniquely suited for, thanks to the secret talent that gives her an uncanny edge - Charlie can see the spirits of the dead. This blessing - or curse - gives Charlie the power to hunt down madmen and murderers. It s also turned her love life upside down by drawing her into a hopelessly passionate relationship with the lingering ghost of a charismatic bad boy. But there s little time for romance when murder comes pounding at Charlie s door in the form of a terrified young woman fleeing a homicidal maniac. Saving her life places Charlie squarely in the sights of a sadistic predator nicknamed the Gingerbread Man. Matching wits with this cunningly twisted opponent will require all of Charlie s expert skills. But even with her devilish guardian angel , not to mention her favourite flesh-and-blood Federal agent Tony Bartoli, watching her beautiful back, the Gingerbread Man s horrifying grin might be the last thing Charlie ever sees.
