Getting Started in Commercial Real Estate - Ten Step Program to Success! is a primer designed to take someone from selling residential to selling commercial real estate. This book can change your life. By following the ten step plan, you can get those phones ringing and deals closing. You ll learn how to analyze properties and control transactions. The authors are active real estate brokers and recommend vendors and websites that help them be their most productive. Investors, as well as licensees, can derive an immediate benefit from this information. The majority of real estate licensees specialize in residential real estate because that is what the boot camp courses cover. It s difficult to get training in commercial real estate. Getting Started in Commercial Real Estate - Ten Step Program to Success! will give you the confidence to enter this interesting field and benefit from higher commissions, less competition and no weekend work. The book shows you how to decide on a product specialization, develop expertise in that product type and attract interest from sellers and buyers. Use the sample cold calling scripts to break the ice with potential sellers. Most investors purchase commercial real estate for its income-producing potential, which means the commercial real estate agent needs an understanding of investment analysis. The authors present the basic concepts in an easily understood manner. You will be shown how to reconstruct the seller s operating statement and calculate net operating income, capitalization rate, cash-on-cash return, internal rate of return, present value, net value and future value. You probably won t be a financial expert after reading the material, but you will learn enough to communicate with your...
