HarperCollins Publishers Inc, United States, 2011. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. Bobby Griffith was an all-American boy .and he was gay. Faced with an irresolvable conflict-for both his family and his religion taught him that being gay was "wrong"; -Bobby chose to take his own life. Prayers for Bobby , nominated for a 1996 Lambda Literary Award, is the story of the emotional journey that led Bobby to this tragic conclusion. But it is also the story of Bobby's mother, a fearful churchgoer who first prayed that her son would be "healed," then anguished over his suicide, and ultimately transformed herself into a national crusader for gay and lesbian youth. As told through Bobby's poignant journal entries and his mother's reminiscences, Prayers for Bobby is at once a moving personal story, a true profile in courage, and a call to arms to parents everywhere. "The value of the Griffith story .is undeniable. [It] should be required reading for every parent, every school teacher, and anyone who has ever doubted that words can kill." - The Washington Post "This book will become an instant classic. And it will save lives of countless young people." -- The Advocate "A heartrending story of two journeys: Bobby's spiral toward death and Mary's toward personal responsibility. Aaron's has performed a major public service, as has the entire Griffith family-especially Bobby, whose death will surely save many others." --Los Angeles Times "The book is not a tragedy. Because of Mary Griffith's gutsy sensibility and her tireless efforts to help others .Prayers for Bobby is a book about hope." -- San Francisco Chronicle.
