Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

GLIMPSES OF INDIAN WISDOM

Munshiram Manoharlal Publishers Pvt. Ltd., 1972. Hardcover. Book Condition: New. First. 15 X 23. In this book Professor Banerjee has brought together a few of his ideas, bearing directly in some cases and indirectly in others, upon the philosophic thought of India. His understanding of Indian philosophy is rather unorthodox. He is less dependent upon textual evidence than writers on Indian philosophy usually are, and he makes use of his own philosophical insight in the discovery of the true spirit of Indian thought and wisdom. It is some of the Western interpreters of the religious and philosophical literature of India who have tried to establish that the Indian outlook on life is notoriously religious and spiritual and, what is more, is wedded to the doctrine of world-negation. It is most unfortunate, however, that Indians have by and large accepted with approval this misleading Western assessment of the Indian view of life. As a result, immense harm has ensued to the cause of the discovery of the cultural and spiritual heritage of India. It is, therefore, in the fitness of things that Professor Banerjee for fresh researches in the field of Indian philosophy with a view to showing that the Indian way of thinking is essentially humanistic, and that humanism in ancient India reached its culmination in the wisdom which found the clearest and the boldest expression in the life and teaching of Gautama the Buddha.
