FABER FABER, United Kingdom, 2016. Paperback. Book Condition: New. Main. 198 x 129 mm. Language: English . Brand New Book. Faber s best-selling hamster series is given a smart new livery, repositioning our favourite as a perennial classic character, sitting alongside the likes of Winnie the Pooh and Wind in Willows. Dear Friends, When Og the Frog came to live in Room 26, I felt a little jealous. Still, I tried to be welcoming but I soon discovered that it s Hard-Hard-Hard to make friends with a lumpy, bumpy frog! Then I found out that my fellow students were having problems with their friends, too. A.J. and Garth had to deal with a bully named Mean Martin Bean. Heidi and Gail had a terrible argument, and Miranda-Golden had a new stepsister who wasn t nice at all. Then there was the Poetry Festival, the magic show and the snowstorm! How could one small hamster solve all those problems? Luckily, I wrote the whole story in my notebook so you could share my adventures. Your friend to the end, Humphrey.
