Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.

Brand New Book ***** Print on Demand *****.Excerpt from Our Calendar: The Julian Calendar and Its Errors, How Corrected by Gregorian, Rules for Finding the Dominical Letter, Hebrew Calendar, Illustrated by Valuable Tables and Charts Many years ago, while engaged in teaching, the writer of this little volume was in the habit of bringing to the attention of his pupils a few simple rules for finding the dominical letter and the day of the week of any given event within the past and the present centuries; further than this he gave the subject no special attention. A few years ago, having occasion to learn the day of the week of certain events that were transpiring at regular intervals on the same day of the same month, but in different years, he was led to investigate the subject more thoroughly, so that he is now able to give rules for finding the dominical letter and the day of the week of any event that has transpired or will transpire, from the commencement of the Christian era to the year of our Lord 4,000 and to explain the principles on which these rules rest.
