Reviews

Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.

(Harold Spencer)

MADRID TALES

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Madrid Tales, Helen Constantine, Margaret Jull Costa, The buzzing life of bars, warm evenings by the Manzanares river, the subterranean terrors of the Metro, icy winters and hot, empty summers, student days in the sixties, the ruthless underworld of the city's mafia - this captivating anthology reflects the character of Madrid and the lives of the madrilenos, as its inhabitants are called, in all their splendid variety. Some stories are bizarre, some funny, some serious, and as you read you'll travel through the city. The famous streets and monuments of Madrid - Cibeles, Calle de Alcalá, Plaza Mayor, and the Royal Palace - as well as the poor, working-class barrios unfrequented by sightseers will pass before your eyes like a moving picture. Some stories, like the Galdos story and Carmen Martín Gaité's 'A clear conscience' depict a journey across Madrid, while in Javier Marías' sinister tale, 'Fallen from fortune', a couple are unaware that their guide to all the usual tourist highlights is leading them to their death. In 'Through the wall' and 'Personality disorders', the characters barely leave their apartments, and the city lurks outside the windows. A rich assortment of characters - adolescent boys obsessed with sex; maids up from the country; provincial girls who slide into prostitution; a small boy excited at the prospect of going downtown with his grandfather; vain, self-absorbed thirty-somethings with too much money; immigrant families far from home; mafia types; diligent office-workers struggling to bring up a family - come alive in the tales. Few of these stories have previously been translated into English. Some names, such as Benito Pérez Galdós, Javier Marías, Juan José Millás, and Carmen Martín Gaité, will be more familiar than others but all deserve to be better known. There...
