Critical Assessments of International Criminal Courts: Vol 27 No 1

By Magda Karagiannakis

Federation Press, Australia, 2010. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. This volume focuses on the operational of international and hybrid criminal courts. Eight expert authors analyse what happened, or didn't happen, in the major international criminal tribunals (ICTs) of the past 20 years, and make constructive suggestions for improvements. Four articles concern issues in particular tribunals: Rwanda, Sierra Leone, East Timor and Cambodia. Other articles consider the problems raised by the right to a speedy trial in ICTs and the principle that the ICC should be complementary to, and not competitive with, state domestic courts. Critical Assessments of International Criminal Courts is a special issue (Volume 27 No 1) of the journal Law in Context. You can purchase a single copy of this issue through this page, or subscribe to the journal from the journal page.

Reviews

This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Leopold Hills**

Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.
