Do International Corruption Metrics Matter?: The Impact of Transparency International's Corruption Perception Index (Hardback)

By Omar E. Hawthorne

Lexington Books, United States, 2015. Hardback. Book Condition: New. 237 x 158 mm. Language: English . Brand New Book. Corruption, often seen as the main hindrance to development and growth in many societies, has led to greater demand for accountability and transparency in how governments conduct their businesses. This text examines the impact of Transparency International's Corruption Perceptions Index and whether or not the CPI and hence TI matter. It explores three areas: the world's political and economic responses and Jamaica's policy responses to the CPI. Jamaica is selected for a case study due to its high CPI rating from TI; Jamaica is a country that has strong anti-corruption laws but, nonetheless, sees its CPI ranking worsen almost yearly. Taking into consideration the importance scholars and policymakers give to corruption's effect on development, the findings show that the CPI-the most cited corruption index-does not change the behavior of world's political and economic policymakers. Although the index is published yearly, there is no measured change as it regards political and economic policymakers. Nonetheless, Jamaican policymakers pay significant attention to their performance on TI's CPI. Transparency International's CPI is used as the authoritative tool to...
