

Principles of Kinesiology

By Maggie La Tourelle

Singing Dragon. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 7.6in. x 5.1in. x 0.6in. Kinesiology is a system of natural health care which combines muscle testing with the principles of Chinese medicine to assess energy and body function. A touch therapy, it uses a range of gentle yet powerful healing techniques and can be effective in the treatment of many conditions, including allergies, backache, fatigue, emotional difficulties, headaches and skin and bowel problems. This book describes how kinesiology can help with these problems by correcting imbalances found in the different forms of kinesiology assessment. This introductory guide explains how kinesiology works, how to find a practitioner and how it is usefully applied with other therapies, as well as how self-help techniques can be applied. It will be of interest to anyone considering kinesiology treatment, or simply wanting to find out more about this healing system. Students and practitioners of kinesiology and related practices will find it to be a useful reference, and a perfect introduction to recommend to clients. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This composed book is excellent. it was actually writtern very perfectly and valuable. I found out this book from my i and dad advised this book to learn.

-- **Maymie O'Kon**

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
