*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## RELOCATION FAILURES IN SRI LANKA: A SHORT HISTORY OF INTERNAL DISPLACEMENT AND RESETTLEMENT

ZED BOOKS LTD, United Kingdom, 2009. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book. Each year, millions of people are internally displaced and resettled in the wake of wars and floods or to make way for large-scale development projects, and this number is increasing. Humanitarian and development specialists continue to struggle with designing and executing effective protection strategies and durable solutions. Relocation Failures explains how internal displacement and efforts to engineer resettlement are conceived and practiced by policy makers and practitioners. The author argues that policies for internally displaced peoples are weak and diluted by narrow interpretations of state sovereignty and collective action dilemmas, and in the case of Sri Lanka, unintentionally intensified ethnic segregation and ultimately war. This unique new book considers the origins and parameters of internal displacement and resettlement policy and practice and proposes an explanation for why it often fails. In highlighting the ways that development assistance can exacerbate smoldering conflicts, the volume provides an important caution to the aid community.
