Brand New Book ***** Print on Demand *****.Excerpt from Nature Study Made Easy The position of Nature Work in the school curriculum is established. It has passed the experimental stage. Its value as an educational factor is recognized. The object in introducing Nature Study Made Easy into the classroom is twofold: - (a) To make easy for the teacher the task of bringing the child of ten or eleven years of age to realize some of the elementary truths of Nature seen in the world of plants around him. (b) To make intelligible to the child, by exercising his observation and exciting his interest, the wonderful lessons that the Plant World daily unfolds to him. In view of this fact much illustrative matter is brought before the class. Pupils are directed to gather their own materials and bring them to the classroom, to work out and record their own experiments, to grow their own plants. This puts a personal element into the study. The lessons are given in a simple, pleasing manner; a second lesson, in different form, sometimes following the first, to impress...
